ei for Teachers

EI for Teachers helps educators develop their practice. EI does this by analysing eight areas of teaching practice which research tells us drive teacher effectiveness and student outcomes.

Our guiding principles for strengthening teaching practice

- 1** Focus on behaviours and competencies that have the most impact on student outcomes
- 2** The gap between our intent and impact is where the insights lie
- 3** Student voice is fundamental
- 4** It is not solely about the feedback data, it is what you do with the data that counts.

Our Customer Success Team:

Our teacher framework

Teacher Experience

Reflect

Receive 360° feedback on teaching practice to gain insights into strengths and areas for improvement.

Set

Set evidence-based personal development goals.

Grow

Develop practice over a period of time with informative and supportive resources.

Focus

Close the loop by receiving a second targeted round of feedback on a chosen area of practice.

Benefits

Principals

Create a culture of feedback and use evidence-based data to drive school improvement.

Teachers

Improve impact in the classroom and positively influence student outcomes.

Students

Provide student voice and participation in a feedback culture.

Educator Impact empowers educators to grow professionally in an environment that is safe, simple and supportive. EI for Teachers is:

- 1. Designed with the security of your data in mind. All data is fully encrypted with SSL encryption.**
- 2. A managed service, meaning you can spend more time on the things that matter.**
- 3. Aligned with the Australian Professional Standards for Teachers.**
