

USA Academic Tour - January 2020
Expression of Interest - Staff Chaperone

The Alliance of Girls' Schools Australasia and Crimson Education will provide places for staff of Alliance member schools to join the USA Academic Tour in January 2020 to act as staff chaperones.

This is an excellent opportunity for staff who are interested in learning more about US educational and professional pathways that might be possible for their students. The learning experiences can be brought back to school to benefit the wider school community to raise awareness of these opportunities that exist for young people on the world stage.

Staff members selected to join the tour will have supervising and duty of care responsibilities for the students in the group. Staff will not be responsible for delivering activities or organising logistical arrangements, however, a commitment to pre-departure training and communications with students and parents will be required. A Crimson Tour Manager will also be travelling with the group throughout the tour to manage the logistics allowing school staff to focus on the pastoral care of the students.

All costs relating to the tour will be covered including international and domestic flights, accommodation, transport, activities, travel insurance and meals. Additional meals, passport/visa costs and personal expenses will not be covered.

The staff member must satisfy the following eligibility criteria:

- be employed by an Alliance member school with students participating in the USA Academic Tour 2020
- demonstrate that travelling on the tour will be beneficial to their school role
- be willing to provide feedback on the experience after returning from the tour, and, where possible, attend future student/parent information events and participate in media opportunities.

To submit an expression of interest, please complete the expression of interest form on the following page and submit this to international@crimsoneducation.org by 19th April 2019.

The Alliance and Crimson Education will conduct staff interviews between 22nd – 26th April and the chosen candidates will be notified by 30th April 2019.
