

## Rt Hon Dame Jenny Shipley

- Opening event guest speaker, 9 May
- Alliance patron

Dame Jenny Shipley is a Chairman and Company Director, a motivational speaker and the Former Prime Minister of New Zealand.

She has a formidable record as a change agent and is well versed in the successes and failures of governance in the public and private sector where she has held many significant leadership roles.

Today she chairs 3 private companies, speaks on emerging and trending global issues with a focus on China, amongst her many other responsibilities.

She currently Co Chairs the Commemoration Tuia 250 for the NZ Government, a complex project marking 250 years since Maori and Cook first met and is an avid promoter of the benefits of “shared societies that are safe for difference” and the value and relevance of inclusive leadership.

Her passion is working with leaders who have the courage, skill set and mind set to meaningfully help “shape the future”.
